WITNESSETH

WHEREAS, the Declarant is currently the Owner of or in the future will be the owner of real property located in Benton County, Arkansas, being more fully described in Exhibit A attached to this Declaration and incorporated herein by reference, sometimes referred to herein as the “Property”; and

WHEREAS, the Declarant is in the process of developing and platting the aforesaid Property into a residential community, and contemplates subdividing such Property into individual, quality, residential Lots, and, in addition, contemplates setting aside certain tracts of land for common landscaped areas, for signs identifying the Subdivision, and other amenities; and

WHEREAS, the Declarant desires that the entire Subdivision constitute a residential community, the total development of which shall take several years;

WHEREAS, the Declarant desires to provide for building and use restrictions to promote and ensure that the Subdivision is a quality residential community, that all homes are constructed of quality materials and workmanship and are compatible with other homes in the Subdivision, and to protect the property values of all Owners within the Subdivision;

WHEREAS, the Declarant desires and aspires for the Subdivision to grow and mature into an environment where all members of Featherston Village Subdivision feel a sense of comfort and belonging; and the Declarant additionally desires for each Owner to be friendly, respectful, trustworthy, and gracious to one another and that this Declaration facilitates and promotes such a sense of community.

NOW THEREFORE, in consideration of the foregoing and for the purpose of enhancing and protecting the value and desirability thereof, the Declarant hereby declares and subjects all of the Property described in Exhibit A, now known as Featherston Village Subdivision, to the covenants, charges, assessments, conditions, and restrictions set forth in this Declaration, all of which shall run with said Property and shall benefit and be binding upon all parties and all persons owning all or any part thereof,

and their heirs, personal representatives, successors, and assigns. - B. **HOME OWNERS ASSOCIATION.**
1. **Membership.**
- a. Each and every Owner of each and every Lot within the Subdivision shall automatically be, and must at all times remain, a Member of the Association in good standing, and shall be bound by the terms and conditions of this Declaration, the Articles and Bylaws of the Association, and such rules and regulations as may be promulgated and adopted by the Association under such Articles and Bylaws. Each and every Resident (who is not otherwise an Owner) may, but is not required to, be a non-voting Member of the Association. Membership of an Owner in the Association shall be appurtenant to and may not be separated from the interest of such Owner in and to any portion of a Lot. Ownership of any Lot shall be the sole qualification for being a Member; however, a Member's privileges to use the Common Properties may be regulated or suspended as provided in this Declaration, the Bylaws, or the rules and regulations promulgated by the Board. Any Person who holds an interest in and to all or any part of a Lot merely as security for the performance of an obligation shall not be a Member.
- b. Except as provided in this Declaration, the Association shall be the sole judge of the qualifications of its membership and of the right to participate in and vote at its meetings and shall have the right to prescribe the procedure to be followed concerning all such meetings and votes.
- c. Subject to the terms and conditions herein, an Owner is permitted to lease or rent any Dwelling owned by an Owner. However, any such lease or rental agreement: (i) shall be in writing; (ii) in no event shall have more than two (2) parties named on such lease or rental agreement; (iii) and in no event shall be entered into with more than one (1) family. Further, any lease or rental agreement entered into between an Owner and a tenant of a Dwelling must require compliance by the tenant and all occupants with all of the covenants, conditions and restrictions contained in this Declaration, the Articles, the Bylaws and any rules and regulations promulgated by the Board, from time to time, which provisions shall be for the express benefit of the Association. Upon entering into any lease or rental agreement entered into between an Owner and a tenant of a Dwelling, each Owner shall have an affirmative duty to provide any such tenant with a copy of this Declaration. Notwithstanding any such lease or rental agreement, the Association shall continue to notify Owner, and Owner shall continue to be directly responsible for, all assessments, liabilities and obligations under this Declaration. Additionally, all such leases and rental agreements shall comply with all applicable laws, including but not limited to zoning.
2. **Transfers.** The membership of an Owner may not be severed from or in any way transferred, pledged, mortgaged or alienated except upon the sale, assignment, or transfer of such Owner's interest in all or any part of such Owner's Lot and then only to the purchaser, assignee, or transferee as the new Owner of the Lot in question. Each Owner shall notify the Association of any transfer or assignment of the fee title to his/her/its Lot

and the name and address of the transferee or purchaser. Such transfer shall automatically operate to transfer the membership to the new Owner thereof. On transfer, conveyance, or sale by any Owner of all of his or her or interest in any Lot, such Owner's membership in the Association shall thereon cease and terminate. An Owner of a Lot, by contracting to sell his Lot on an installment basis, shall be deemed to have transferred his membership to the contract purchaser upon execution of the contract for sale. When an Owner sells his Lot by traditional offer and acceptance providing for a closing of the sale to occur at which time the purchaser will pay the purchase price to the seller or deliver to the seller a promissory note for the purchase price in exchange for a conveyance by deed of the property, the transfer of membership shall be deemed to occur upon delivery of the deed. For purposes of this Declaration, the "Owner" shall be deemed to include the purchaser under an installment contract, regardless of whether a deed has been executed to be held in escrow or whether the deed will be executed and delivered upon payment in full of the installment payments. The Articles of Incorporation and Bylaws of the Association, as may be amended from time to time, are incorporated by this reference to the same effect as if set forth word for word herein.

**3. Voting Rights.**

- a. During the Development Period only the Declarant shall be able to vote as a Member of the Association.
- b. Following the expiration of the Development Period all Members shall constitute the voting Members of the Association. The Owners of each Lot in good standing shall be entitled to one (1) vote per Lot. Where more than one Owner owns and holds a record fee interest in a Lot, either as joint tenants, tenants in common, or tenants by the entirety, for the purposes of voting at meetings of the Association or on issues submitted to the Members, said multiple Owners shall cast one vote collectively for each Lot owned.
- c. Any Owner or Member shall not be in "good standing" if such Person is: (i) in violation of any portion of these Covenants or any rule or regulation promulgated by the Board or any portion of applicable laws, rules, regulations and ordinances; or (ii) delinquent in the full, complete, and timely payment of any assessments or charge which is levied, payable or collectible pursuant to the provisions of these Covenants, the Bylaws or any rule or regulation promulgated by the Board. The Board may suspend the voting rights of any Member who is not in good standing for any period during which such Member remains not in good standing. The preceding clause shall control over any provision of this Declaration to the contrary.
- d. The Board may make such rules and regulations, consistent with the terms of this Declaration and the Bylaws, as it deems advisable, for: (i) any meeting of Members; (ii) proof of membership in the Association; (iii) the status of good standing; (iv) evidence of right to vote; (v) the appointment and duties of examiners and inspectors of votes; (vi) the procedures for actual voting in person or by proxy; (vii) registration of Members for voting purposes; and (viii) such other matters concerning the conduct of meetings and voting as the Board shall deem fit.

- 4. Notice; Voting Procedures; Meeting.** Quorum notice and voting requirements of and pertaining to the Association may be set forth within the Articles and/or Bylaws, as either or both may be amended from time to time, and shall be in accordance with permitted

Arkansas law. During the Development Period, from time to time, as and when determined necessary by the Board, the Board may call and schedule a meeting of the Members. From and after the expiration of the Development Period, the Members shall meet annually to deal with and vote on matters relating to the business of the Association, as directed by the Board, including the election of the Directors.

5. **Matters Generally Subject of the Vote of Members.** Additionally, to the extent that the Board desires to encumber any portion of the Common Properties as security for payment of indebtedness incurred in respect to improvements to the Common Properties, the Board shall obtain the prior approval of the majority of Members.
6. **Registration with the Association.**
  - a. Each and every Owner, Member and Resident shall have an affirmative duty and obligation to originally provide, and thereafter revise and update, within fifteen (15) days after a material change has occurred, various items of information to the Association such as: (a) the full name and address of each Owner, Member and Resident; (b) the name, address and telephone numbers of other local individuals who can be contacted (in the event the Resident cannot be located) in case of an emergency; and (c) such other information as may be reasonably requested from time to time by the Association. Failure to provide the Association with a name and proper mailing address shall constitute a waiver of any notice otherwise required hereunder.
7. **Other Matters.**
  - a. The official address of the Association shall be as shown on the Arkansas Secretary of State's and shall remain so until changed by a majority of the Board of Directors of the Association.
  - b. The Association shall, at all times, observe all of the laws, regulations, ordinances, and the like of all governmental authorities recognized in the City, the State of Arkansas, and of the United States of America, and if, at any time, any of the provisions of this Declaration shall be found to be in conflict with such laws, regulations, ordinances, and the like, the same shall become null and void, but no other part of this Declaration not in conflict therewith shall be affected thereby.
  - c. By written consent of a majority of the Owners of all the Lots within the Subdivision (one per Lot), the Association may be given such additional powers and duties as may be deemed necessary and reasonable, and by such vote, this Declaration may be modified or amended in any manner.
  - d. Subject to the limitations set forth in this Declaration, the Association shall have the right to make such reasonable rules and regulations and to provide such means and to employ such agents as will enable it adequately and properly to carry out the provisions of this Declaration.

- C. **BOARD OF DIRECTORS.** The Board of Directors of the Association shall consist initially of three (3) Directors, appointed by the Declarant. The initial Directors shall each serve during the Development Period. At the end of the Development Period, the Declarant shall appoint three (3) replacement directors that are Lot Owners to serve staggered three (3), two (2) and one (1) year terms. After the expiration of the terms of the directors, elections shall be held to fill each of the

available seats, which shall thereafter serve three (3) year terms. These elections will be held at called meetings upon giving ten (10) days' written notice to all Lot Owners, who may cast one vote for each platted Lot owned. Aside from the initial Directors, all Directors must be Owners of a Lot. Any director may resign at any time by notice to the Board. In the event of the death or resignation of any initial director prior to the expiration of his or her term, the vacancy shall be filled by an appointment of the remaining director(s).

The Board of Directors of the Association shall have the power to enforce these covenants and to review all violations of these covenants for proper action. The Board of Directors shall have the authority to delegate any or all of its authority to a third-party property management service. Additionally, the Board of Directors may, at its option, employ and discharge a manager, independent contractors, and such other employees as it deems necessary and prescribe their duties, and enter into contracts and agreements, if necessary, all for the purpose of providing for the performance of the business, powers, duties, and obligations of the Board of Directors.

- A. There shall be created, as shown on the face of the Plat of the Subdivision and identified as "Common Properties" or as identified by the Declarant, such common tracts or areas and amenities as the Declarant shall create for the use and benefit of the Subdivision, Lots and Members, including without limitation the entrances and related signage and monuments, any detention area, fountain in detention area, benches around detention area, sidewalks around detention area and elsewhere in the Subdivision, sod, landscaping and trees around detention area and sidewalks, community mailboxes to be located throughout the Subdivision and such other common areas and amenities as the Declarant or the Association may, from time to time, determine to be in the best interest of the Association and its Members, herein collectively referred to as the "Common Properties". Such Common Properties shall be for the use and benefit of all Lots and properties in the Subdivision, including the Members and residents, and the landscaping, signage, etc. thereon shall be maintained by the Association as provided in this Declaration.
- B. Upon the filing of the final Subdivision Plat, the mentioned Common Properties located in the Subdivision shall be conveyed to and accepted by the Association and the Association shall assume the cost and expense thereof and reimburse the Declarant for such amounts it has paid in regard thereto. In addition, any property, improvement or amenity may be deeded, sold, transferred and/or conveyed to the Association by the Declarant if deemed to be for the common good or common use of the Subdivision and/or its Members by the Declarant, or necessary to the operation, use, existence, upkeep and safety of the Common Properties, Subdivision and/or Members.
- C. Maintenance of the Common Properties and landscaping, signage, etc. thereon shall be at the cost and expense of the Members of the Association (Lot Owners) within the Subdivision. All of such costs, including, but not limited to, maintenance expenses, insurance, and real property taxes, shall be borne by the Lot Owners based on the ratio of the total number of Lots they own to the total number of Lots that have been created by the filing of the final Plat and any amendments thereto.
- D. The Board of Directors of the Association shall have the authority to promulgate such rules and regulations and amendments thereto regarding the use of the Common Properties and amenities as it from time to time deems appropriate. Additionally, the Board reserves the right to make such Common Properties and amenities available to non-residents by membership subject to such terms and conditions as the Board may deem appropriate.
- E. As noted above, the detention pond(s) located within the subdivision constitute a portion of the Common Properties, which the Association is obligated to maintain pursuant to the terms and conditions of this Declaration. In order to provide additional assurances that such detention pond(s) and all other storm water management facilities developed, constructed, or installed within the Subdivision from time to time (collectively, the "Storm Water Facilities," and each such item is a "Storm Water Facility") are properly maintained in compliance with various regulations that are adopted by the City of Centerton, Arkansas (the "City") from time to time (collectively the "Centerton Regulations"), the responsibility for the operation, maintenance, repair, and replacement of all Storm Water Facilities is also hereby imposed on all Lot Owners pursuant to the provisions of this Section IV(E). In order to insure compliance with and enforcement of such

Centeron Regulations, the City is hereby declared to be a third-party beneficiary under this Declaration, and is specifically authorized and empowered hereunder, as fully as if a signatory hereto, to undertake and perform required the operation, maintenance, repair and replacement of any such Storm Water Facilities, upon the failure of the Association and Owners to timely do so following written notice from the City to the Association and Owners. Such notice shall provide a reasonable time, not less than thirty (30) days, to correct any such applicable problem(s) and reasonably set forth and describe the same. Further, should the City undertake the operation, maintenance, repair and replacement of such Storm Water Facilities as herein provided, the City shall be entitled to be reimbursed for all costs incurred in effecting same and, upon failure of an Owner to reimburse the City for his or her pro-rata share of the cost, the City is authorized and empowered to establish and collect assessments to pay the defaulting Owner's share of the costs. The power and authority herein granted to and vested in the City shall apply, notwithstanding the existence or non-existence of the Association. By acceptance of the deed or other instrument of conveyance for his/her/their Lot, each Owner shall be deemed to covenant and agree to pay any assessment levied to offset the costs incurred by the City for the operation, maintenance, repair and replacement of any Storm Water Facility following proper notice as set forth above (the "Storm Water Assessment"). This Storm Water Assessment, together with such interest thereon and costs of collection as provided below, shall be a continuing lien on the Lot affected and shall also be a personal obligation of the Owner(s) of such Lot from the date when the Storm Water Assessment is due and payable until paid in full. Such personal obligation shall not pass to successors in title to the affected Lot unless expressly assumed by such successor. Any Storm Water Assessment levied as set forth in this Section IV(E) shall become a lien on the affected Lot as soon as such Assessment is due and payable. In the event any Owner fails to pay the Storm Water Assessment when due, the Storm Water Assessment shall then bear interest at the maximum legal rate permitted by the State of Arkansas on the date when such Storm Water Assessment is due and shall continue to accrue at that rate until it is paid in full. Such Storm Water Assessment shall be due fifty (50) days after the date it has been fixed and levied, and, if not paid, shall become delinquent and the payment of both the principal and interest accrued may be enforced as in the case of a lien on the affected Lot, and a notice of such lien may be filed with the Circuit Clerk of Benton County, Arkansas. Notwithstanding anything herein to the contrary, any lien(s) or assessment(s) provided for in this Section IV(E) shall be subordinate and inferior to the lien of any bona fide first mortgage or deed of trust now or hereafter placed upon the Lot(s). In the event legal proceedings are commenced to collect the Storm Water Assessment, or if the services of any attorney are retained by the City, the non-paying Owner(s) shall be obligated to pay all costs incurred, plus reasonable attorney fees, which costs and fees shall become a portion of the lien and may be foreclosed on in the same manner as the assessment as provided above. The Storm Water Assessment shall be used exclusively to offset any cost to the City associated with operation, maintenance, repair and replacement of any Storm Water Facilities and for no other reason or purpose.

- F. The Association shall be responsible for maintaining, mowing, weeding, trimming, cultivating and pruning all Yards in the Subdivision, including any landscaping installed or placed in the Yards by the Association (collectively, the "Association's Yard Maintenance"). Notwithstanding the foregoing, each Owner shall be responsible for cutting, trimming, mowing, fertilizing and the general upkeep of any trees, shrubbery and other landscaping installed or otherwise placed within the Yards by an Owner. Further, if an Owner elects to install approved screening in the Rear Yard, Owner shall leave a gap in the screening sufficient for a commercial mower to pass through in order for the Association to perform the Association's Yard Maintenance. However, the Association shall not be responsible for the removal of any snow and ice, trash, debris, filth and refuse from Lots and/or Yards; in any such case, the Owners shall be responsible for cleaning and removing the same from their individual Lot and/or Yards. The Declarant hereby reserves, and grants to the Association, the Board, and its officers, agents, employees, and assigns, an easement upon, across,

over in, and under the Property, the Lots and the Yards, and the right to make such use of the Property, the Lots and the Yards as may be necessary or appropriate perform the duties and functions for which they are obligated or permitted to perform, including the right to enter upon any Lot for the purpose of conducting the Association's Yard Maintenance. In addition to all other Assessments set forth and charged herein, each Owner shall pay and remit to the Association the amount of Seventy-Five and No/100 Dollars (\$75.00) each calendar month to pay expenses and to reimburse the Association for performing, implementing and carrying out the Association's Yard Maintenance (the "Yard Maintenance Expense"). All Owners shall pay the Association the Yard Maintenance Expenses when due and owing via electronic funds transfer debit transactions utilizing the Automated Clearing House (ACH) network of the U.S. Federal Reserve System. From time to time, in the event a majority of the Board determines that the current Yard Maintenance Expense is insufficient to provide for the performance, implementation and carrying out of the Association's Yard Maintenance, the Board may change the amount of the Yard Maintenance Expense prospectively for any such period. Unpaid Yard Maintenance Expenses shall be a continuing lien on the Lot which shall run with the land and be and remain binding upon such property, the Owner thereof, and such Owner's heirs, successors, and assigns, in accordance with and pursuant to the terms and conditions of Section V(D).

#### SECTION V REGULAR AND SPECIAL ASSESSMENTS FOR ASSOCIATION

- A. By acceptance of the Deed or other instrument of conveyance for his or her Lot within the Subdivision, each Lot Owner shall be deemed to covenant and agree to pay the Association regular (annual/monthly/etc.) assessments and any special assessments for operating expenses incurred by the Association and for maintenance and care of the Common Properties and hereby consents to the imposition of any liens provided herein in connection therewith without further notice. Such assessments shall be established and collected from time to time by the Board of Directors, as provided in this Declaration and by the Association. The maximum amount of such annual dues shall not exceed the amount budgeted for such maintenance costs for the applicable year and contributions to fund anticipated future costs of the foregoing items, which budget shall be established by the Board prior to levying annual dues for such year. Such budget shall be in writing, maintained by, and made available to Owners by the Board. The Board may require the payment of annual dues on a yearly, quarterly, or monthly basis, as determined by the Board from time to time.
- B. From time to time, in the event a majority of the Board determines that the Association's current funds are insufficient to provide for the operation of the Association and the maintaining, improving, repairing, insuring, operating, and managing of the Common Properties in good and safe working order, condition, and repair, the Board may: (i) may change the basis of assessments fixed by this Section V hereof prospectively for any such period provided that any such change shall have the affirmative vote of two-thirds (2/3) of the votes of Members entitled to vote at a meeting called for such purpose, written notice of which shall be sent to all Members at least ten (10) days in advance and shall set forth the purpose of the meeting; or (ii) levy a special assessment against each of the Lots pursuant to a resolution of the Board setting forth the nature of the need for and the amount of such special assessment.
- C. It shall be the duty of the Association to notify all Owners or contract purchasers of Lots within the Subdivision, whose addresses shall be supplied by the Owner or contract purchaser to the Association, by sending written notice to each of such Owners within fifteen (15) days after the date on which the assessment has been fixed or levied, giving the amount of the charge or assessment for the current year, when the same shall be due, and the amount due for each Lot. Failure of the Association to levy an assessment due to lack of address for the Owner of any

particular Lot within the Subdivision or for any other reason, shall not discharge the obligation of any such Owner from paying such assessment, and it shall be the obligation of any such Owner to notify the Association of such Owner's current address.

- D. The annual and special assessments, together with such interest thereon and costs of collection as provided below, shall be a continuing lien on the property affected and shall also be a personal obligation of the Owner of such property from the date when the assessment is due and payable until paid in full. In the event any Owner fails to pay the assessment when due, then the assessment shall bear interest at the maximum legal rate permitted by the State of Arkansas on the date when such assessment is due and shall continue to accrue at that rate, until it is paid in full. Unpaid assessments shall be a continuing lien on the Lot which shall run with the land and be and remain binding upon such property, the Owner thereof, and such Owner's heirs, successors, and assigns. For each notice of lien so filed, or for any lien so filed, the Association shall be entitled to collect from the Lot Owner or Owners of the Lot described in such notice of lien a fee of \$200 which shall be collectible in the same manner as the original assessment provided for in this Declaration. The non-paying Owner or Owners shall be obligated to pay all costs incurred, plus reasonable attorney fees, which costs and fees shall become a portion of the lien and may be foreclosed on in the same manner as the assessment provided above.
- E. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, enjoyment, and welfare of the residents of the Subdivision, and, in particular, for the improvement and maintenance of property, services and facilities devoted to the above stated purpose and related to the use and enjoyment of the Common Properties and of the Dwellings situated in the Subdivision. Without limiting the generality of the foregoing statement of purpose, such assessments shall be applied by the Association to the payment of the costs of the following:
1. To enforce any and all building and land-use restrictions that exist as of the date of this Declaration or which may be lawfully imposed hereafter on or against any of the Property in the Subdivision.
  2. To maintain the Common Properties and amenities and improvements thereon as provided in this Declaration.
  3. To pay expenses to carry out the above, such as attorney's fees, manager's fees, expenses of liability, fire and other insurance, bookkeeping and accounting expenses, and any and all other expenses that may from time to time be deemed necessary to carry out the intent of this Declaration by the Association.
  4. To protect property values in the Subdivision by promoting pride in and enthusiasm for it; to work for improved transportation, schools, libraries, and recreation facilities within the community in which the Subdivision is located, and to do all lawful things and tasks that the Association, in its discretion, may deem to be in the best interest of the Subdivision and the Owners of the Lots in the Subdivision.
- I. Notwithstanding anything herein to the contrary, the following properties subject to and governed by this Declaration shall be wholly exempted from the assessments, charges, fees and liens created herein or imposed hereby:
- (i) All Common Areas; and

- (ii) All Lots titled in the name of the Developer or otherwise owned by the Developer until the Developer makes the original conveyance thereof to an Owner.
